Name Jordan Ellis

Registration number PH-204518

Role Pharmacist (responsible pharmacist on duty)

Place of work Riverside Community Pharmacy, Northbridge

Section 2 - About the referrer

Name Chris Walker

Role Pharmacy manager

Email c.walker@riverside-pharmacy.example

Date of referral 2 February 2026

Section 3 - Summary of concerns

On 27 January 2026 a patient received 50 mg tablets instead of the 5 mg tablets that were prescribed. The error was noticed by the patient's carer the next day and no harm was reported. A review of the controlled drugs register for January found three entries that were not made on the day of supply. The referrer is concerned about dispensing checks and record keeping.

Section 4 - Declaration

I confirm that the information in this form is true to the best of my knowledge.
